U. S. Patent and Trademark Office PTO-326 (Rev. 9-97)

Part of Paper No.

Serial No. 09/322,333
Art Unit 1771

- 1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
- Claims 1-4 are rejected under 35 U.S.C. 102(b) as anticipated by or, in the alternative, under 35 U.S.C. 103(a) as obvious over EP -355 (Nagamoto et al.), for the reasons set forth in paragraph No. 3 of Paper No. 5, together with the following additional observations. Applicants argue that the recently submitted Declaration by co-inventors Kondo and Nagamoto overcomes the relied upon prior art rejections of record, but the Examiner strenuously disagrees. Applicants have not compared their claimed genus of articles with the closest prior art, namely a pressure sensitive adhesive layer coated on a photocurable resin backing comprising a urethane acrylate oligomer and a "reactive dilute monomer" or "photopolymerizable monomer" (not a polyene thiol resin as the rejection mistakenly stated), i.e. a dicyclopentanyl (meth)acrylate or a dicyclopentenyl (meth)acrylate which are each taught at page 3 lines 19-20 of EP -355 and also at page 7 lines 19-20 of the specification). Additionally, even if it was the closest prior art, applicants' Declaration comparing itself against a single solitary example of the reference in view of the breadth of their claims is clearly an inadequate showing to rebut the prima facie Finally, applicants' newly claimed range of 0.7 to 1.8 is also not seen to be sufficiently distant to distance itself from

Serial No. 09/322,333

Art Unit 1771

the dynamic viscoelasticity tangent theta of 0.69 found by applicants' inventors for the tested example of the reference. In summary, applicants have not rebutted the <u>prima facie</u> case of record.

3. THIS ACTION IS MADE FINAL. Applicants are reminded of the extension of time policy as set forth in 37 C.F.R. § 1.136(a). The practice of automatically extending the shortened statutory period an additional month upon the filing of a timely first response to a final rejection has been discontinued by the Office. See 1021 TMOG 35.

A SHORTENED STATUTORY PERIOD FOR RESPONSE TO THIS FINAL ACTION IS SET TO EXPIRE THREE MONTHS FROM THE DATE OF THIS ACTION. IN THE EVENT A FIRST RESPONSE IS FILED WITHIN TWO MONTHS OF THE MAILING DATE OF THIS FINAL ACTION AND THE ADVISORY ACTION IS NOT MAILED UNTIL AFTER THE END OF THE THREE-MONTH SHORTENED STATUTORY PERIOD, THEN THE SHORTENED STATUTORY PERIOD WILL EXPIRE ON THE DATE THE ADVISORY ACTION IS MAILED, AND ANY EXTENSION FEE PURSUANT TO 37 C.F.R. § 1.136(a) WILL BE CALCULATED FROM THE MAILING DATE OF THE ADVISORY ACTION. IN NO EVENT WILL THE STATUTORY PERIOD FOR RESPONSE EXPIRE LATER THAN SIX MONTHS FROM THE DATE OF THIS FINAL ACTION.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Daniel Zirker whose telephone number is (703) 308-0031. The examiner can normally be reached on Monday-Thursday from 8:30 A.M. to 6:00 P.M. The examiner can also be reached on alternate Fridays.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Terrel Morris, can be
